

UNCT Checklist for engaging with ILO Supervisory Bodies

General Checklist	
Know which ILO Conventions the member State has ratified and of those outstanding Conventions determine if the Government has committed to become a party	
Read the observations and direct requests of the Committee of Experts relating to ratified ILO Conventions	
For more information on a particular subject, read the relevant general survey of the Committee of Experts, and general observations on particular Conventions	
Determine if any of the Committee of Experts' observations regarding the country have been discussed by the Conference Committee on the Application of Standards	
Read the discussion of the Conference Committee on the country concerned, and examine the conclusions adopted.	
Check if any recent representations or complaints have been filed under articles 24 or 26 of the ILO Constitution	
Read any reports arising out of representations or complaints and any follow-up	
Read any recent cases of the Committee on Freedom of Association pertaining to the county and any follow-up	
Determine which issues arising out of the ILO supervisory bodies should be priorities for UNDAF programming interventions	
Engage with national employers' and workers' organizations and Ministries responsible for labour and employment in designing and implementing strategies and programmes	
Contact the international labour standards department in Geneva or the International Labour Standards specialist in the relevant ILO country or regional office for further information and guidance
