# Overview

## UN Disability Inclusion Strategy

- Launched in June 2019 by the Secretary-General
- The Strategy includes a **Policy** and an **Accountability Framework**, which has two aligned components:
  - An Entity Accountability Framework
  - A **UN Country Team Accountability Scorecard on Disability Inclusion**
- Aligned with other UN system priorities on inclusion: gender, youth, indigenous persons

  - Not applicable; missing; approaches requirements; meets requirements; and exceeds requirements
- All UNCTs are asked to report on implementation of the Strategy through the UNSDG Information Management System (IMS) by the end of each calendar year
